Letter of Invitation & Message from the Organizing Committee

On November 10th, the Bronx County Medical Society will hold our Annual Membership Assembly & Physicians Exposition.

During the registration we would like to offer you an opportunity to display a table with your company products and information. As our physicians are registering and getting acquainted with their colleagues you can discuss your products and hand out any literature or information.

The Physician's Exposition is an excellent way to promote your organization and or its products. Don't miss this opportunity to mingle with the leaders and decision-makers. We anticipate **500 physicians to be in attendance. Guests are physicians from the Bronx, Queens, Brooklyn, NYC and Westchester, which will give you great exposure to a wide area of Medical Practices & Hospitals in these areas.**

We are presenting this opportunity to your company and ask that since you have been selected to participate, please take the time to consider such an offer. We have a limited number of space (25) and it will be first come first served. We suggest that you complete the form and forward it back to the society as soon as possible. The Bronx County Medical Society asks for a contribution of \$2000 for a tabletop display. If you are interested, please complete the enclosed contract and forward back using email: bronxphysicians@gmail.com; fax: 718-744-9014 or mail to the office. **Note: Acknowledgments will appear in our promotional printed materials, program book and on our website.**

We look forward to your positive response and would like to thank you for your continued interest in our society.
